

The Portofino Collection: Flexible & Colorful Living

KARE
DESIGN

More than furniture – a lifestyle statement

Creative freedom

Modular design for flexible minds that encourages endless configurations and personal expression. Adapt your space effortlessly to suit your mood, lifestyle, and changing needs.

Bold colours

Make a statement in any space with a vibrant palette inspired by the lively spirit of Portofino. These hues bring energy and warmth, elevating your environment with confident style.

Personality

Transform living into an immersive experience where every piece reflects your unique character. The collection invites you to create a space that feels truly yours, full of life and charm.

Inspired by Portofino – timeless beauty from Italy

Mediterranean elegance

Colour palette inspired
by coastal views

Effortless style

Simplicity meets
sophistication

Joie de vivre

Furniture that celebrates life

Minimal form – maximum presence

Clean lines

The design is deliberately simple, yet eye-catching.

Bold volumes

Clean lines and bold volumes create a strong presence without dominating the room.

Perfect balance

Portofino brings calm energy to any space – from a modern loft to a grand old villa.

For flexible minds with a love for colour

Creative lifestyles

For those who think differently

Quality seekers

Appreciates craftsmanship and materials

Playful designers

Enjoys mixing styles and colours

Materials & Characteristics

High-quality Polyester Cover

Durable, velvety soft, and easy to clean, with 80,000 Martindale for everyday use.

Comfortable Polyurethane Padding

Dimensionally stable yet soft, ensuring long-lasting seating comfort. Seat height of 38 cm.

Nosag Spring Seating

A spring core in the substructure provides permanently elastic comfort, even with intensive use.

Robust Chipboard Frame

A strong, yet lightweight frame ensures stability and ease of rearrangement. Load capacity of up to 110 kg per module.

Clever Modular Design

Cushions secured with zips and Velcro for easy combination into single modules, sofas, or guest beds.

Easy to Clean

Removable cushions and a wipeable cover make it ideal for busy households with children or frequent guests.

Compact. Comfy. Clever.
