

# Gino Collection

Crafted Nature. Pure Character.

# The Vision Behind Gino

## Craftsmanship

Developed to bring warmth, texture and craftsmanship back into living spaces.

## Nature at Home

Responds to a growing customer need for natural aesthetics and individual character.

## Functional Beauty

Gino creates a homely atmosphere where function meets handmade beauty.

## Timelessness

Designed for people who value uniqueness, quality and timeless style.

# Rooted in Artisanal Tradition

The name "Gino" evokes charm and craftsmanship.

Inspired by global artisan cultures, especially Indian woodwork and European form clarity.

Relief carvings are handmade, reflecting tradition, patience and individuality.

Each piece tells a story through textures, tones and tactile details.

# Where Form Meets Feeling

## What Defines Gino

### Harmonious Design

Pattern mix and varied carving techniques create visual interest and tactile appeal.

### Natural Materials

Solid mango wood with distinctive grain, warm brown tones and tactile surfaces.

### Clean Silhouettes

Graceless yet statement-worthy: clean silhouettes with detailed fronts.

### Smart Functionality

Integrated functionality through Soft-Close and Push-to-Open systems.

# Who is Gino for?

**Customers who appreciate solid wood, natural textures and warm aesthetics.**

## Target Customers

Style-conscious urbanites, design lovers and craftsmanship admirers.

## Ideal Spaces

- Living rooms (sideboards, lowboards)
- Entryways (console, tall chests)
- Bedrooms (small chests, mirrors)

# Materials & Characteristics

## Solid Mango Wood

- Distinctive grain, warm tones, high stability.
- Handmade for truly unique character.
- Sustainable by-product of fruit harvesting.

## Hand-Carved Reliefs

- Natural patterns with tactile depth.
- Each piece boasts individual character from handcrafting.

## Soft-Close & Wooden Pulls

- Silent, gentle closing mechanisms.
- Traditional wooden slat guides for drawers.

## Powder-Coated Steel Frame

- Robust construction with clean lines.
- Offers a modern contrast to the natural wood.

## Load Capacity

- Top panel: up to max. 50 kg.
- Shelves: up to 20 kg.
