

# TRAVERTINO Collection

Luxury Stone Optics – Natural Elegance Meets Modern Design

# The Vision Behind TRAVERTINO

**Travertino stands for serene elegance and timeless clarity.**

- Clear lines and balanced proportions for a sculptural presence.
- Light beige tones and open-pore textures create natural warmth.
- Matte finishes and natural materials highlight the authenticity of the design.
- Luxury and practicality combined: haptic surfaces and functional details.

# For the Sophisticated Minimalist

## Target Group:

- Design-savvy customers with a taste for refined natural materials
- Fans of calm, modern, and luxurious interiors
- Interior professionals and homeowners looking for sculptural, functional statement pieces

## Usage:

- **Living room:** Sideboards, consoles, coffee tables
- Bedroom & entrance: Dressers, bedside tables
- **Dining:** Statement dining tables for 4–8 people
- **Versatile fit:** from compact apartments to spacious lofts

## Material & Characteristics

### Premium Materials

Mineral-marble cladding in travertine look

### Raw Material Accents

Handles and accents: real stone geodes & powder-coated steel for functional elegance.

### Easy Clean

Lacquered MDF corpus & fronts: smooth, stable, and precision-crafted, easy to care for.

### No Noise

Soft-close drawers: ensuring quiet, gentle, and premium usability.
