

OKINAWA Collection

Purist Elegance Meets Raw Strength

The Idea Behind OKINAWA

Authenticity

The Okinawa series was developed to meet the growing desire for furniture that balances **architectural clarity** with **material authenticity**.

More than Furniture

These pieces are **more than furniture** – they are **statements of design consciousness**, made for people who appreciate timeless structure, visual calm, and durability.

Key Idea

To combine **granite** and **steel** in minimalist forms that exude strength, elegance, and purpose.

Inspired by Japan - Created for Today

Japanese Aesthetics

The Okinawa series draws on the **principles of Japanese aesthetics**:

- simplicity
- balance
- honesty in materials

Natural Sensibility

The name "Okinawa" reflects a place where **modern design** and **natural sensibility** meet.

Precision

The collection is a tribute to the **precision of architecture** and the **tranquility of form** found in Japanese design.

Design Philosophy

Form

Strong geometric clarity, minimalistic silhouettes

Materials

Natural surfaces with tactile appeal

Detail Oriented

Geometric clarity meets artisanal detailing

Function and Style

Crafted for spaces where furniture becomes a focal point

Function and Style

Function-first design with visual silence

Target Group and Usage

Who Is OKINAWA For?

- Design-savvy urban dwellers
- Lovers of clean lines and noble materials
- Architects, creatives, and minimalists

Use Cases

- City lofts & apartments
- Hallways, living & dining rooms
- Minimalist home offices or studios

Functionality and Versatility

Functional Design

High weight capacity – from shelving to dining.

Durability

Durable granite surfaces – easy to clean, extremely long-lasting

Flexible Integration

Flexible use – from hallway console to dining table or office shelving
