

A woman with long brown hair, wearing a teal, sleeveless, floor-length dress, stands in a modern interior. Behind her is a dark green wall with two framed artworks. The left artwork is a portrait of a man in a military-style uniform with a glowing rectangular frame over his face. The right artwork is a woman wearing VR goggles, set against a background of 'The Starry Night'. Below the art is a long, low wooden cabinet. On the cabinet are a small black electronic device, two glasses, and a modern lamp with three glowing spherical shades. To the right of the cabinet is a large, teal, upholstered armchair on a circular base. A large green plant is behind the chair. On the far left, a tall floor lamp with three glowing spherical shades is visible. The floor is light-colored, and a small teal rug is under the chair.
